Re: Request for Donation

To whom it may concern:

Orenda Racing Canoe Club is a non-profit facility located in Lake Echo, Nova Scotia. Our club has over 150 members and has programs for people of all ages and abilities. We operate year round, with dry land training in the winter. Throughout our 39 year history we have had athletes compete at the local, provincial and national levels as well as the World Championships. The club has also produced five Olympians including bronze medalist, Steven Giles.

We are currently seeking donations for our annual auction which will be held on Saturday, May 13th at the Porters Lake Community Centre. Donations in the form of product, services or gift certificates would be very helpful in making this event a success. Your support of this event would be greatly appreciated and will help provide the funds necessary for the operation of our club.

Thank you for considering our request. We hope you will be able to support our efforts with a donation. Please feel free to contact me at 902-292-0776 for more information.

Sincerely,

Michelle Lacombe
Fundraising Coordinator
Orenda Canoe Club
